Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the repair of the Boys and Girls Club of Burlington's swimming pool in fiscal year 2023. The entity to receive funding for this project is the Boys and Girls Club of Burlington, located at 62 Oak Street, Burlington, VT 05401.

\$518,500 in congressional support is needed to repair the swimming pool at the Boys and Girls Club of Burlington. The project budget for this initiative was developed by the Club's Director of Finance based on competitive quotes from the businesses in our area that specialize in this type of work. Like other Club initiatives, this budget was developed in consultation with a highly engaged Board of Directors responsible for ensuring that the Club's programs are adopted on a responsible, financially sustainable basis. This project does not have any other committed funds.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Peter Welch
Member of Congress
